

We strive to provide a fun, safe, and clean environment where children can learn and grow.

Our Approach

GCC Kids preschool is a Christ-centered preschool program where children may grow spiritually, socially, cognitively, emotionally, and academically. Our classrooms are equipped for hands-on learning, and the selected curriculum is purposed to guide each students towards their developmentally appropriate learning potential. Our staff is made up of caring Christian teachers who love children and love to teach.

GCC KIDS PRESCHOOL

LOVING, SHARING, LEARNING, GROWING

"Children are a heritage from the Lord"
Psalm 127:3a

We at GCC Kids Preschool believe that all children are "fearfully and wonderfully made" in the image of God, and our students are loved, taught, and encouraged each day to develop according to God's purpose for them. GCC Kids Preschool welcomes all children from throughout the community.

Classes are Tuesday through Friday
9:30AM-1:30PM beginning September 3, 2024

Tuition-\$250.00/month
Registration Fee(includes supply fee)-\$235.00

Open House on August 29th 2024
Ages 2-4 years

- Bible class
- Circle Time
- Creative Art Projects

"I like coming to preschool.
I like playing on the playground.
I like to play ball. I like
my friends and my teachers."

Emerson, Age 5

Why our program stands out...

"TAILOR-MADE FOUNDATIONS" LEARNING CURRICULUM

Our teacher created curriculum offers a comprehensive preschool child development program that links connections in literacy, math, science, fine arts, health and safety, family life, personal development, physical development, and Biblical concepts.. With a careful balance of child-initiated play in learning centers, and teacher-directed lessons and group activities, your preschooler will gain a spiritual and academic foundation, along with a love of learning, that he or she will carry into Kindergarten and beyond.

FUN AND ENRICHING FINE ARTS PROGRAM

Our Art, Music, and Spanish classes are designed to have a significant impact on our students' learning potential. We showcase these programs each spring with a "Fine Arts Night".

BIBLICALLY BASED LEARNING

Our students are nurtured each day with the love of God, and they are taught that they are created in the image of their Creator. Daily Bible lessons and centers are provided to assist with each child's spiritual growth.

STRUCTURED ENVIRONMENT

In preschool, we begin to incorporate a more structured, consistent daily schedule and work on building a sense of responsibility and independence in our students. Children are encouraged to take on leadership roles in the classroom, and our students are involved in community service projects throughout the year.
